<p>1. Cremation Authorization: The Owner or Legal Representative hereby authorizes the Crematory to cremate the remains of the pet. In providing this authorization, the undersigned represents that he or she is the Owner or Legal Representative of the Owner and has the full right and authority to arrange the cremation and disposition of the cremated remains. <i>The undersigned understands that Cremation is an irreversible and final process.</i></p> <p>2. Cremation Process: PRIVATE CREMATION is a cremation procedure during which only one pet's body is present in the cremation chamber during the process and it is subjected to intense heat and flame. Through the cremation cycle, all substances are consumed or driven off, except bone fragments (calcium compounds), metal and other non-natural materials. Due to the nature of the cremation process, the crematory will dispose of or destroy any possessions or materials, such as collars or tags that are left with the animal and not removed prior to cremation, in a non-recoverable manner. <i>If not picked up within thirty (30) days of the cremation, the Crematory may dispose of the cremated remains in any lawful manner.</i></p> <p><i>The undersigned understands that arrangements must be made to remove any such personal possessions or materials prior to the time that the animal is transported to the crematory.</i></p>			<p>3.
